

Philips 2030 Impact Ambitions

Improve health and well-being		Baseline	Q2 2026 results	2026 target	Progress towards target	2030 ambitions
	Lives Improved (billion lives)	2.0 (2025)	2.0	2.0	● ● ● On target	2.5
	Lives improved in medically underserved communities (million lives)	253 (2025)	243	244	● ● ● On target	400
	Working conditions improved in our value chain (million workers)	1.0 (2025)	1.0	1.1	● ● ● On target	1.5
Reduce absolute environmental impact						
Climate	Scope 1 and 2: Reduce emissions in line with SBT (tonnes CO ₂ -e)	134,171 (2015)	4,550	19,000	● ● ● Below target	13,417
	Scope 3: Reduce emissions in line with SBT (tonnes CO ₂ -e)	7,360,182 (2020)	882,340	4,000,000	● ● ● Better than target	3,605,000
	Operations powered by renewable energy (%, rolling last twelve months)	80 (2025)	74.6	81	● ● ● Below target	84
Materials	Revenue from products and solutions contributing to circularity (%)	27.9 (2025)	28.8	-	● ● ● Better than target	-
Nature	Reduce water withdrawal (m ³)	696,791 (2025)	157,955	691,913	● ● ● Better than target	672,403
